| 13.50 – 15.00 | Environmental damage claims —
A. Couvadelli |
| 15.00 – 15.10 | Q&As / Wrap-up / Closure |

Capt. Kostas KARAVASILIS

Senior Loss Prevention
Executive
UK P&I Club

Kostas is a Greek Master Mariner with significant seagoing experience on-board Bulk Carriers and Cruise Ships. Prior to joining Thomas Miller BV Greek Branch in December 2019, he worked as Claims Manager for a Hull & Machinery insurer, garnering more than 10 years of experience within the marine insurance industry. Kostas is certified by Lloyds Register of Shipping as an ISM and ISPS Internal Auditor; he is P&IQ certified, as well. He deals with Loss Prevention related matters and operational enquiries for local Members, and he also conducts seminars for Members' crews and shore side personnel. Since December 2021 Kostas has been conducting Risk Assessments on board Members' vessels.

Alexandra COUVADELLI, LLB, LLM

Greek Lawyer, Piraeus Bar,
Solicitor, England & Whales
UK P&I Club

Alexandra is a Senior Claims Director for Thomas Miller for P&I and FD&D with extensive experience in claims handling. Before joining Thomas Miller Alexandra worked for Athens and London based Law Firms specializing in Maritime Law, as well as a ship-owning firm, and has also had sea faring experience on a bulk carrier. She is a qualified Greek and English solicitor and holds an LLM from Southampton University and a diploma from North Kent College in Oil, Gas and Petrochemicals. Her fields of expertise include Green Shipping issues, Marine pollution, Maritime Casualties, Sanctions, Bill of Lading Issues, Piracy/Maritime Security, Charterparty and Newbuilding Disputes. Alexandra conducts presentations to the Maritime community, covering an extensive repertoire on the above mentioned fields of expertise. She has been a frequent contributor to UK P&I and Defence publications and has lent her broad perspective and knowledge on P&I matters and legal issues to the UK P&I Club's and UK Defence Club's publications.

WEBINAR Outline | Learning Objectives

Loss prevention

The presentation is about the services rendered by the UK P&I Club's LP Department and navigating into confined waters (that may lead to groundings, collisions etc., resulting into pollution)

Environmental damage claims

During the "environmental damage claims" presentation, the enforced Pollution Conventions will be presented, focusing on vessel's responsibilities. There will also be a description of the coverage by the P&I Clubs and the procedure which is followed. After the theoretical part, actual case studies will be presented.
