Select a course date

 **[REGISTER HERE](#)**

Wednesday 20 March

Thursday 25 April

Thursday 13 June

Tuesday 15 October

Tuesday 12 November

Tuesday 10 December

A CERTIFICATE OF ATTENDANCE WILL BE ISSUED UPON SUCCESSFUL PARTICIPATION

Improve your corporate sustainability strategy by raising your employees' understanding on the 17 UN Sustainable Development Goals and their engagement to achieve the company's ESG performance

**This training lab helps participants to:**

Comprehend the concept of sustainable development and the specific goals

Discover how contemporary environmental, social and economic challenges are connected to each other

Guide your organization to work towards supporting relevant SDGs and help increase its social impact

Member Companies are entitled to one (1) free of charge participation. Other participants can attend with a fee of €100 per person upon availability

Please let us know if you are interested in organizing an inhouse Lab, exclusively for your company's employees to meet your specific needs and requirements
