

## JOIN OUR CAUSE TO SAVE THE SEAS

**As a potential new member, we invite you to review the exceptional benefits that come with being a part of our esteemed association.**

To help you understand the advantages of joining HELMEPA, we have prepared a detailed table below, outlining the different membership categories available, each with its own unique set of benefits. We encourage you to review the table and select the category that best suits your interests and aspirations.

For over 40 years, HELMEPA has been at the forefront of marine environmental protection, safety at sea and sustainable development, committed to providing an open platform for all stakeholders who share a deep commitment to the protection of our oceans and the pursuit of sustainable practices.

By joining HELMEPA you will be part of a historic association with impactful collective action and measurable results, and you will have the opportunity to contribute to real-world solutions and make a tangible difference in the protection of our seas and our planet.

Together, we can create a better future for generations to come.
