Foundation

Tuesday 19 – Thursday 21 January 2021

This webinar is part of the three year-long Project titled **“Enhancing the Understanding of New and Enduring Challenges in Maritime Safety Culture in the Eastern Mediterranean”**, which is supported by **Lloyd's Register Foundation (LRF)*** and implemented by HELMEPA between 2019 and 2022 in Greece and Cyprus, in cooperation with partners CYMEPA, Lloyd's Register and DYNAMARINE.

(*) LRF is a charitable Foundation, helping to protect life and property by supporting engineering-related education, public engagement and application of research (www.lrfoundation.org.uk)

Webinar contributors:

Lloyd's Register

The Swedish Club Greece

National Technical University of Athens
School of Naval Architecture and Marine Engineering
Laboratory for Maritime Transport

Hellenic Bureau for Marine
Casualties Investigation

TIMETABLE (EET)
